Supplies:

Sewing Machine
Thread
Decorative Paper
Scissors
Letter or Gift

Step 1:

Bundle contents together so items don't shift during sewing. Trim paper to size. Fold the ends in to make a nice edge and fold in thirds.

Step 2:

Set sewing machine to longest stitch and loosen tension. Sew one end. Trim thread.

Step 3:

Push contents against sewn edge and crease paper perpendicular to the first seam. Sew. Trim threads.

Step 4:

Trim ends with decorative scissors. Tie a ribbon around the package and give to someone you love.

Step 1:

Trim decorative paper to $3 \times \text{height} \times \text{width} + 2"$ [e.g., if my card is 4"x6" my paper will be 12"x8"]

Step 2:

Fold top edge at an angle to create a slanted visible edge.

Step 3:

Fold and sew sides together using the longest stitch setting on your sewing machine.

Step 4:

Trim thread and excess paper, address and send to someone you love.
