

Feather Headband Tutorial

Check out www.melissaesplin.com for more tutorials.

Supplies:

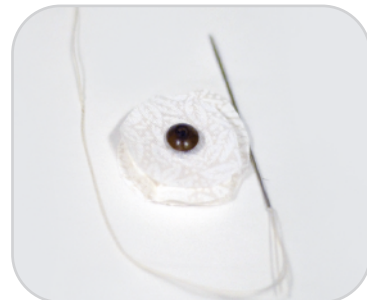

Feathers	Fabric Glue
Cotton Fabric	Hot Glue Gun
Headband	Needle
Scissors	Thread

Step 1:

With scissors, snip fabric 1" away from edge and rip. Make 3 fabric strips.

Step 2:

Apply fabric glue to inside strip of fabric, tack down on the underside of headband. Glue generously the outside of the headband and wrap fabric around headband.

Step 3:

Clean feathers by pulling off lower, fuzzy portion of the feather.

Step 4:

With a hot glue gun, glue feathers to headband largest to smallest working from the top down.

Step 5:

fold fabric over 8-10 times in a square and cut a 1-1.5" circle.

Step 6:

With a needle, thread and button, sew circles together pinching each layer to add volume.

Step 7:

Glue the flower on the headband with a hot glue gun. WEAR!
